

Qualifying vehicles for the clean vehicle tax credit

If you bought and placed in service a new qualified plug-in electric vehicle (EV) or fuel cell vehicle (FCV) on Jan. 1, 2023 or later, and meet certain income limitations, you may be eligible for a clean vehicle tax credit up to \$7,500.

They must also have undergone final assembly in North America and not exceed a manufacturer suggested retail price (MSRP) of \$80,000 for vans, sport utility vehicles and pickup trucks; and \$55,000 for other vehicles.
